

Output for User Feedback

A screenshot of a web browser window displaying a form titled "User Feedback". The browser's address bar shows "localhost:8080". The form contains the following fields:

- Name:
- Email:
- Rating:
- Comment:

Below the form is a green button labeled "Submit Feedback". The browser's right sidebar is visible, showing various extension icons.

A screenshot of the same web browser window, but now the "User Feedback" form is filled out with the following data:

- Name:
- Email:
- Rating:
- Comment:

The green "Submit Feedback" button remains below the form. The browser interface and sidebar are consistent with the previous screenshot.
